7.

SEASONALITY DISCLIPLINE

Seasonality Discipline for deduction of premium/ acceptance of proposal /remittance to Implementing Agency/Insurance Company along with declaration by Branches / PACs /C.B./RRBs/ Co-operative Banks and other Authorized Intermediaries will continues to act as members of IA /Submission of yield data /settlement of claims is given in **Annexure-VIII**

8. PROCEDURE FOR COVERAGE OF FARMERS:-

a) Each individual bank branches for Commercial the designated nodal under Banks / RRBs shall act as Nodal branch. Each DCCB will be Nodal Banks for PACs. The concerned Lead bank and Regional offices/ Administrative offices of PACs /commercial banks/ RRBs/APCOB will provide necessary guidelines to concerned bank branches and coordinate with them to ensure that all concerned branches submit the consolidated proposals to insurance companies **well within the stipulated cut-off dates** and also upload the soft copy of insured details in crop insurance portal.

b) Declaration/ proposal formats to be submitted by Nodal banks/ Branches shall contain details about Insurance Unit, sum insured per unit, premium per unit, total area insured of the farmers, number and category of farmers covered (small and marginal or other) and number of farmers under other categories (SC/ ST/ others) / Women along with their bank account details etc. (bank / their branches) as per the format envisaged / provided in the crop insurance portal.

Loanee farmers (Compulsory coverage)

c) Whenever banks sanction loan for a notified crop in a notified area, the crop loan amount only to the extent of **Scale of Finance for notified crops** and acreage of individual notified crops of loanee farmers shall be taken into consideration for compulsory coverage, as per seasonality discipline. Based on seasonality of Crops, banks should separately calculate the eligibility of loan amount for both Kharif and Rabi seasons based on the scale of Finance and declared acreage under notified crops. Disbursing bank branch/ Primary Agriculture Cooperative Society (PACS) will prepare monthly statement of crop-wise and insurance unit-wise details of crop insurance with premium as per the seasonality discipline. Loan disbursing bank branch/ PACS will finance the additional loan towards premium amount payable by farmer for crop insurance.

d) Crop loans through Kisan Credit Cards (KCC) are covered under compulsory coverage and banks shall maintain all back up records and registers relating to compliance with PMFBY and its seasonality discipline and cut-off-date for submitting Declarations in case of normal crop loans. Bank branch will apportion coverage among insurable crops, based on acreage mentioned in loan application or on the basis of actual area sown as declared by the farmer.

e) Bank branches of commercial banks and RRBs/ Nodal Bank in case of PACS under its jurisdiction shall consolidate insurance proposals/ statements from their bank branch/ PACS under its jurisdiction, respectively and forward the same to insurance company along with details of remittance/ RTGS towards insurance premium, in accordance with cut off dates, as specified under seasonality discipline (Para 7 above)

Non-loanee farmers (Optional coverage) through Channel partners

f) Farmers desirous of availing insurance shall fill up Proposal Form of the Scheme and submit the same to nearest bank branch or authorized channel partner or insurance intermediaries of insurance company.

g) In case channel partner is a Bank, farmers will submit duly filled up proposal form in the village branch of a Commercial Bank (CB) or Regional Rural Bank (RRB), or PACS (DCCB) with requisite insurance premium amount. Operating a bank account is essential for such cases. Branch/ PACS officials will assist the farmers in completing the insurance proposal form and provide necessary guidance. While accepting the proposal and premium, Branch/ PACS will be responsible for verification of eligible sum insured, applicable premium rate, etc. PACS will thereafter consolidate these particulars and send them directly/ to respective Nodal Banks respectively which will, in turn, submit crop-wise and insurance unit-wise Crop Insurance Declarations in the prescribed format, along with the premium, within the stipulated time, to insurance company. However the bank branches of commercial banks/ RRBs will directly submit the consolidated proposals along with details of insured farmers in the format envisaged in the crop insurance portal within the stipulated time.

h) Non-loanee cultivators could also be serviced directly by any designated agencies, other authorized channel partners or insurance intermediaries, of the implementing agency/Insurance Company and they will act as a guide and facilitator wherein they will advise them the benefits and desirability of the Scheme and guide the farmers through procedures; collect requisite premium and remit individual/ consolidated premium to insurance company, accompanied by individual proposal forms and summary details in Declarations/ Listing sheet (MIS), provide soft copy to IA and details of each insured farmer and will also upload the data directly to the crop insurance portal.

i) While accepting the Proposal and the premium from aforesaid, designated agents, other authorized channel partner or insurance intermediaries, **it shall be the responsibility of Insurance Company or its designated agents to verify insurable interest and collect the land records, particulars of acreage, sum insured, crop sown etc., and applicable contract/ agreement details in case of share croppers / tenant farmers.** The designated intermediaries shall remit the premium with consolidated proposals within 7 days. However, it is mandatory that the Non-loanee cultivators serviced by the designated intermediaries should hold a bank account in order to facilitate remittance of the claim, if payable.

Non-loanee Farmers (Optional coverage) - directly to Insurance companies

j) Non-Loanee farmer may submit insurance proposals personally / through post to insurance company with requisite premium. Non-loanee farmer can also avail insurance through 'on-line portal' of concerned insurance company or crop insurance portal designed by Government for the purpose. However, it is mandatory that Non-Loanee farmers, personally submitting proposals to insurance company or through crop insurance portal, should have insurable interest and submit necessary documentary evidence. The insured farmer forfeits the premium and the right to claim (if any) if the material facts furnished in the proposal form are wrong or incorrect.

k) Insurance companies retain the right to accept or reject insurance proposal(s) in case proposal is incomplete, not accompanied by necessary documentary proof or insurance premium ordinarily, within one month of receipt of proposal by Insurance Companies. If the proposal is rejected the insurance company will refund full collected premium.

l) Declarations/ proposals received from the Banks/ PACS after the cut-off date shall be summarily rejected and the liability, if any, for such declarations shall rest with the concerned bank. Therefore, the Banks/ Banks/PACS must not receive any proposal after the cut-off date of coverage. The Banks/ PACS must also ensure that the consolidated statement along with the premium amount is remitted to the insurance company within the stipulated time, failing which they shall be responsible for payment of claims, if any to the farmers. However, any dispute in the matter may be referred to the Department by the concerned State/ Agency.

m) The concerned branches of banks and Nodal Banks/ DCCBs in case of PACS will also collect the list of individual insured farmers (both loanee and non-loanee) with requisite details like name, father's name, Bank Account number, village, categories – Small and Marginal/ SC/ ST/ Women, insured acreage, details of insured land, insured crop(s), sum insured, premium collected, Government subsidy etc. from concerned branch in soft copy also for further reconciliation and send the same to the concerned insurance company within 15 days after final cut-off date for submission of Proposal/ Declaration to insurance company and also upload the same on the crop insurance portal. Same standard format of crop insurance portal will be utilized.

n) Insurance companies may also collect the requisite information in respect of non-loanee farmers from the channel partner in same formats. It is the responsibility of the concerned insurance companies to collect/obtain the details of the insured farmers (both loanee and non-loanee) from the bank/financial institutions/ intermediaries/ agents and facilitate the banks to upload the same on crop insurance portal.

o) Insurance Companies should also verify and be satisfied themselves about the coverage of farmers/ crops and up-load the same in their websites within a month preferably before approaching the Government to release the final installment of subsidy under the scheme.

p) CHANGE OF CROP :

Farmers covered, on voluntary basis, can buy insurance before actual sowing/ planting, based on advance crop planning. However, for any reason if a farmer changes the crop planned earlier, he should intimate the change to insurance company, **at least 30 days before cut-off-date for buying insurance or sowing**, through financial institution/ channel partner/ insurance intermediary/ directly; as the case may be, along with difference in premium payable, if any, accompanied by sowing certificate issued by concerned village/ sub-district level official of the State. In case the premium paid was higher, insurance company will refund the excess premium.

Similarly, loanee farmers can also change the name of insured crop from the original crops submitted in the loan application but such changes should be submitted in writing to the concerned bank branch well in advance so that their proposed crops should be insured. However changes of non-notified crops to notified crops without submitting the sowing certificate is not permissible.

9. LOSS ASSESSMENT AND CLAIM SETTLEMENT :

9.1. Wide Spread Calamities (based on season-end yield) :

Assessment of Claims : If 'Actual Yield' (AY) per hectare of insured crop for the insurance unit (calculated on basis of requisite number of CCEs) in insured season, falls short of specified 'Threshold Yield' (TY), all insured farmers growing that crop in the defined area are deemed to have suffered shortfall in yield of similar magnitude. PMFBY seeks to provide coverage against such contingency.

'Claim' shall be calculated as per the following formula:

$$\frac{\text{(Threshold Yield - Actual Yield)}}{\text{Threshold Yield}} \times \text{Sum Insured}$$

Where, **Threshold yield** for a crop in a notified insurance unit is the moving average yield of past seven years (excluding a maximum of two calamity year(s) as notified by State Government/ UT) multiplied by applicable indemnity level for that crop.

And

Actual Yield for a crop in a notified area is the Actual Yield data furnished by Department of Economics and Statistics calculated on the basis of conduct of requisite number of Crop Cutting Experiments under single series and submitted to the respective Insurance company i.e. within the prescribed cut-off date along with results of individual CCEs to the Insurance Companies.

However, in instances where requisite number of CCEs could not be conducted due to non-availability of adequate cropped area, the yield estimate for such insurance units can be generated by 1. Clubbing with neighboring /contagious units or 2.Adopting yield estimate of next higher unit or 3. Adopting the yield of neighboring insurance unit with maximum correlation (PMFBY Guidelines Para No.XI, 3 d). The priority of theses method would be in the order of 1, 2 & 3.

In order to maintain the sanctity and credibility of CCEs as an objective method of yield estimation, the modalities mentioned below will be followed:

a) Insurance company would have complete access to co-witness the CCEs, as also the digital images of the CCEs and relevant data in the requisite form by the State Government. (As outlined in para XXIV.2.m of PMFBY OG) A formal letter with the schedule of CCEs would be given to the respective insurance company sufficiently in advance without fail to help them mobilize the manpower if they so desire.

b) Wherever the yield estimates reported at IU level are abnormally low or high vis-à-vis the general crop condition, the insurance company in consultation with State Government can make use of various products (e.g. Normalized Difference Vegetation Index, etc.) derived from satellite image data or other technologies to confirm the yield estimates. In case of significant differences between these two yield estimates, the matter should be referred to Technical Advisory Committee (TAC) at Centre and its decision shall be final.

c) Use of Mobile Phone Technology to improve Yield-data Quality and Timeliness:
To increase the reliability, accuracy and speed of CCE data, it is mandatory to use smart phones / hand held devices for capturing images, location of the CCE and for online transmission of data on centralized server (e.g. Bhuvan server) would be

done for faster compilation of data and quick claim settlement. RST and Drones etc. may also be used for the purpose of increasing accuracy and speed of yield estimation through CCEs.

9.2 On Account Payment of Claims due to Mid-Season Adversity

1. It is proposed to provide immediate relief to insured farmers in case of **adverse seasonal conditions** during the crop season viz. **floods, prolonged dry spells, severe drought** etc., wherein **expected yield** during the season is likely to be **less than 50% of Threshold yield**.

a) Eligibility Criteria:

i. All notified Insurance Units would be eligible for "ON ACCOUNT" payment only if the expected Yield of the affected crop during the season is less than 50% of threshold yield.

ii. The provision would be **invoked for a specific crop or group of crops by the State Government through damage notification** based on the proxy Indicators which have to be spelt out in the damage notification.

iii. Insurance company may decide the quantum of likely losses and the amount of 'on-account' payment based on the joint survey of Insurance Company and state government officials.

iv. Only those farmers would be eligible for financial support under this cover who has paid the premium / the premium has been debited from their account before the date of issuance of damage notification by the state government.

v. **Maximum amount payable would be 25% of the likely claims**, subject to adjustment against final claims.

vii**. If adversity occurs within 15 days before the normal harvest time, this provision will not be invoked.**

Proxy-Indicators: Indicators to be used for loss intimation would be rainfall data, temperature and relative humidity data, satellite imagery and crop condition reports by district level state government officials, supported by media reports.

Loss assessment procedure:

i. District Level Joint Committee (DLJC), for assessment of crop damage, would be formed and notified before start of the crop season for each district.

ii. The DLJC shall decide the eligibility for on-account payment based on the weather data (available AWS notified by the Government) /long term average rainfall data/satellite imagery supported by estimated yield losses at notified Insurance unit level and the extent of loss.

iii. Information/ Services of Mahalanobis National Crop Forecast Centre (MNCFC) may also be utilized for determination of extent of loss for on- Account payout.

iv. If the expected loss of the affected crop is more than 50% of the threshold yield for the Notified Insurance Unit, on-account payment would be payable based on the proxy indicators.

v. On-account payment would be calculated as per following formula:

$$\frac{\text{(Threshold Yield - Estimated Yield)}}{\text{Threshold Yield}} \times \text{Sum Insured} \times 25\%$$

d**) Time frame for loss assessment and submission of report:**

i) An order will be issued by State Government defining eligibility of on account payment with details of damaged Insurance Units within 7 days from the occurrence of adverse seasonal event.

ii) Loss assessment report at the affected insurance unit level has to be completed by the joint committee within 15 days from occurrence of the adverse seasonal event.

e) Conditions:

i. Mere disbursement/ sanction of loan without receipt/ debit of premium before the notification of calamity would not make a farmer eligible for the claim.

ii. The on account payment would be disbursed by the insurance company only after receipt of Govt. Share of Subsidy.

iii. These claims would be adjusted from the end season area approach yield based claims

Formation of District Level Joint Committee (DLJC) under the Chairperson of District Collector/District Magistrate with the following members for loss assessment survey:

- District Agriculture/Horticulture/Revenue Officer – as convener
- Concerned Insurance Company
- Representative of IMD from nearest observatory
- Representative of KVK / Agriculture University
- 3 Representatives from District farmers nominated by Agriculture Department

Note : The first meeting of the DLJC should be held within a week after notification

The following are the details of Govt.'s Automatic Weather Station / Automatic Rain Gauge stations to supply weather data including rainfall to DLJC

9.3 Prevented / Failed Sowing and Prevented Planting / Germination Claims

1. It is proposed to provide insurance cover to farmers in case of widespread incidence of insured area being prevented from sowing/planting due to deficit rainfall/adverse seasonal conditions in respect of Paddy, Groundnut (UI) and Cotton (UI) in all the districts. The district wise / crop wise cut off dates for invoking this provision are given in Annexure VIII

a) Eligibility Criteria:

i. The Notified Insurance Unit and crop wise normal area sown would be provided to the insurance companies by State Government within one month of normal sowing

ii. Notified Insurance Units will be eligible for "Prevented Sowing/ Planting" pay-out only if more than 75% of Crop Sown Area for notified crop remained unsown due to occurrence of any of the above perils.

iii. The provision is invoked by State Govt. through Notification based on proxy indicators.

iv. Only those farmers would be eligible for financial support under this cover who have paid the premium / the premium has been debited from their account by the date of notification to this effect.

b) **Proxy-Indicators**: Indicators like rainfall data, other weather data, satellite imagery and crop condition reports by district level agricultural officer, media reports and area sown data released by district level agricultural officer . The proxy indicators as follows:

Excess rainfall +40% or more (wrt.LPA)

Deficit rainfall : -40% or less (LPA) (Severe drought)

Dry spells and drought declared by state/UT

Abnormally Low (20%) temperature recorded at nearest Govt., AWS/Observatory in comparison to LPA for Rabi season.

Widespread Flood.

Supported by satellite imageries to be provided by MNCFC or any other Govt. approved agency. Government crop condition reports, Media reports.

c) Loss assessment procedure:

i. State Government would declare a Notified Insurance Unit as having suffered Prevented or Failed Sowing/ Planting conditions with approximate areas in percentage of the unit.

ii The Lump sum payout under this cover would be limited to 25% of the sum insured and the insurance cover will be terminated.

d) Conditions:

i. Mere disbursement/ sanction of loan without receipt/ debit of premium before the notification of calamity won't make a farmer eligible for claim.

ii. The insurance company would disburse the claim within 30 days of the State's order / notification invoking the event of the insured risk provided the data on estimated area sown have been received from State Government.

iii. The pay-out under the cover would be disbursed by the insurance company only after the receipt of Government share of premium subsidy.

iv. Insurance Cover would terminate for the affected crop in a Notified Insurance Unit once a claim under this section is invoked and the Affected Insurance Unit/ Crop would not be eligible for area yield based claim calculated at the end of the season.

v. Once this provision is invoked, no fresh enrolment of farmers for the affected notified crops and areas would be done.

vi. Once exigency is invoked it applies to all the insured farmers in the Notified Insurance Unit for a given crop, including for those whose crop survived.

The state govt. would continue to provide area sown and yield data based on CCEs conducted in such areas within the cut- off date.

9.4 Post-Harvest Losses

1. It is proposed to provide for assessment of yield loss on individual plot basis in case of occurrence of **cyclone, cyclonic rains and unseasonal rains** resulting in damage to harvested crop lying in the field in 'cut and spread' condition up to maximum period of two weeks (14 days) from harvesting for sole purpose of drying. The list of crops for which this provision would be applicable is given in Annexure VIII

a) Eligibility criteria:
Available to all insured farmers, at farm unit level, affected by above mentioned perils in a Notified Insurance Unit growing notified above stated crops for which insurance have been availed.

b) Proxy-Indicators: Report in the local media or reports of the agriculture/ revenue department supported by media reports and other evidences.

c) Loss intimation procedure:

Time and method of reporting the loss/claims

i. Immediate intimation (within 48 hours) by the insured farmer to bank/ insurance company/ agriculture dept. officials through phone/ FAX.

ii. Intimation must contain details of survey number-wise insured crop and acreage affected.

iii. The banks would verify the insured details like crop insured, sum insured, premium debited and date of debit before sending the same to insurance company.

Documentary evidence required for claim assessment
• Duly filled Claim form along with all relevant documents is requisite for payment of claims. However, if information on all the columns is not readily available, semi-filled form may be sent to the insurance company and later within 7 days of the loss, filled form may be submitted.

• Evidence of crop loss through capturing pictures using mobile application, if any.

• Local Newspaper cutting to substantiate occurrence of loss event and severity of the loss, if any.

Appointment of Loss Assessors by the Insurance Company:
1) The loss assessors would be appointed by the insurance company for assessment of losses due to the operations of Localized Risks .

2) The loss would be jointly assessed by a team comprising of loss assessor appointed by the insurer, block level agriculture officer and the concerned farmer.

Important conditions:

i. Mere disbursement/sanction of loan without receipt/debit of premium before the occurrence of insured peril would not make a farmer eligible for claim.

ii. When affected area is limited upto 25% of total insured area in the notified insurance unit, the losses of eligible farmers would be assessed individually provided they have paid premium prior to occurrence of insurance peril.

iii. If the affected area under notified crop is more than 25% of total insured area in a notified insurance unit all the eligible farmers (who have intimated about the occurrence of the calamity within the stipulated time) in the notified insurance unit would be deemed to have suffered post harvest loss and percentage of loss would be arrived at by the Joint committee.

iv. The pay-out under the cover would be disbursed by the insurance company only after the receipt of Government share of premium subsidy.

v. Maximum liability would be limited to proportionate Sum Insured of damaged cropped area.

vi. The insurance company would disburse the claim, if payable within 30 days of survey of loss.

vii. If, at the end of season, based on the yield data, claim is more than the claim under this cover, the balance would be paid at the end of the season under widespread claims.

viii. Farmers getting enrolled or whose premium is debited after occurrence of insurance peril would not be eligible for financial support under this cover.

9.5 Localized Risks

1. It is intended to provide insurance cover at individual farm level to crop losses due to occurrence of localized perils/ calamities viz**. Landslide, Hailstorm and inundation** affecting isolated farms in the notified area.

a) Eligibility Criteria:

i. Available to all insured farmers, at farm unit level, affected by above mentioned perils in a Notified Insurance Unit growing notified crops for which insurance has been availed.

ii. Maximum liability is limited to proportionate Sum Insured of damaged crop's area. This would be based on the proportion of cost of inputs incurred during sowing period to the sum insured.

iii. Only those farmers would be eligible for financial support under this cover who have paid the premium/the premium has been debited from their account before occurrence of the insured peril.

iv. Maximum pay-out under this provision would be in proportion to cost of inputs, incurred up to the occurrence of insured peril, subject to the sum insured. If the payout under area approach (based on CCEs data) is more than localized losses, the higher claims of two will be payable to insured farmers.

v. If the affected area under a notified crop is more than 25% of the total insured area in a notified insurance unit, all the eligible farmers (who has taken insurance for the notified crop, which has been damaged, and informed about occurrence of calamity in the farm within the stipulated time) in the notified insurance unit would be deemed to have suffered localized loss and would be eligible for financial support. Percentage of

loss would be arrived at by requisite percentage of sample survey (as decided the Joint Committee) of affected area by the insurance company.

b) **Proxy-Indicators**: Report in the local media or reports of the agriculture/ revenue department .

c) Time and method of reporting the loss/claims

i. Immediate intimation (within 48 hours) by the insured farmer to bank/ insurance company/ agriculture dept. officials /toll free number through phone/ FAX.

ii. Intimation must contain details of survey number-wise insured crop and acreage affected.

iii. Mobile application may be used for reporting incidents of localized risks for intimation of events including longitude/ latitude details and pictures using NRSC Mobile App.

iv. The banks would verify the insured details like crop insured, sum insured, premium debited and date of debit before sending the same to insurance company.

d) Documentary evidence required for claim assessment

• Duly filled Claim form along with all relevant documents is requisite for payment of claims. However, if information on all the columns is not readily available, semi-filled form may be sent to the insurance company and later within 7 days of the loss, filled form may be submitted.

• Evidence of crop loss through capturing pictures using mobile application, if any.

• Local Newspaper cutting to substantiate occurrence of loss event and severity of the loss, if any.

e) Appointment of Loss Assessors by the Insurance Company:

1) The loss assessors would be appointed by the insurance company for assessment of losses due to the operations of Localized Risks.

2) The loss would be jointly assessed by a team comprising of loss assessor appointed by the insurer, block level agriculture officer and the concerned farmer.

f) Important conditions:

i. Mere disbursement/sanction of loan without receipt/debit of premium before the occurrence of insured peril would not make a farmer eligible for claim.

ii. When affected area is limited upto 25% of total insured area in the notified insurance unit, the losses of eligible farmers would be assessed individually provided they have paid premium prior to occurrence of insurance peril.

iii. The pay-out under the cover would be disbursed by the insurance company only after the receipt of Government share of premium subsidy.

iv. Maximum liability would be limited to proportionate Sum Insured of damaged cropped area.

v. The insurance company would disburse the claim, if payable within 30 days of survey of loss.

vi. If, at the end of season, based on the yield data, claim is more than the claim under this cover, the balance would be paid at the end of the season under widespread claims.

vii. Farmers getting enrolled or whose premium is debited after occurrence of insurance peril would not be eligible for financial support under this cover.

9.6. <u>Procedure for Settlement of Claims to the farmers</u>

1. The insurance company would disburse the claim only after receipt of govt. share in premium subsidy.

2.. In case of farmers covered through Financial Institution, claims shall be released only through electronic transfer, followed by hard copy containing claim particulars, to individual bank branches/ nodal banks / PACs which will credit into accounts of individual farmers within a week of receipt of funds from the Insurance companies and shall provide a certificate to the insurance companies along with list of farmers benefited. Bank Branch should also display particulars of beneficiaries on notice board and also upload the same on crop insurance portal.

3. In case of farmers covered on voluntary basis through intermediaries/ directly, payable claims will be directly credited to the concerned bank accounts of insured farmers and details of the claims may also intimate to them. The list of beneficiaries may also be uploaded on the crop insurance portal immediately.

4. In case of claims under prevented/failed sowing, localized calamities, postharvest losses; insurance company will process the claims after assessment and shall release the claims as per the procedure.

5. Insurance companies shall resolve all the grievances of the insured farmers and other stakeholders in the shortest possible time.

<u>9.7. Important Conditions /Clauses Applicable for Coverage of Risks</u>

1. Insurance companies should have received the premium for coverage either from bank, channel partner, insurance intermediary or directly. Any loss in transit due to negligence by these agencies or non-remittance of premium by these agencies, the concerned bank / intermediaries shall be liable for payment of claims.

2. In case of any substantial misreporting by nodal bank /branch in case of compulsory farmers coverage, the concerned bank only shall be liable for such mis-reporting.

3. Mere sanctioning/ disbursement of crop loans and submission of proposals/ declarations and remittance of premium by farmer/ bank, without explicit intent to raise the crop, does not constitute acceptance of risk by insurance company.

4. Acreage discrepancy

Some areas in the past have reported excess insurance coverage vis-à-vis planted acreage, leading to over-insurance.

For the time-being, it is to be addressed as follows:

a) Wherever the ‘acreage discrepancy’ is likely, the acreage insured at IU level shall be compared with average planted acreage of past three years, and the difference is treated as ‘excess’ insurance coverage after taking into account sown area data of the Revenue authority.

b) Sum insured is scaled down in the proportionate ratio the average of three years’ actual planted acreage bears to the insured acreage for the given crop.

c) Claims shall be calculated on the scaled down sum insured

d) Premium (farmer share and Central and State Government Subsidy) shall be refunded back to Government of India for the portion of sum insured scaled down and the amount may be utilised for improvement of technology/ research/ Impact assessment etc..

Once the individual farms (plots/ survey numbers) are digitized and available on a GIS platform, it is quite possible to overlay the crop cover as derived using satellite imagery on the GIS platform to identify the crop and estimate the cropped area on each farm. This should lead to identifying the acreage discrepancy at individual farm level.

10. EXCLUSION:

Losses arising out of war and nuclear risks, malicious damage and other preventable risks shall be excluded.

11. Commission and Bank Charges

Bank and other financial institutions etc. shall be paid service charges @ 4% of the premium collected from farmers. Banks have to submit there invoice as Rural agents engaged in providing insurance related services to farmers would be paid appropriate commission as decided by the insurance company, subject to cap prescribed under IRDA regulations.

12. Service Tax: PMFBY is a replacement scheme of NAIS/MNAIS, and hence exempted from Service Tax.

13. Role and Responsibilities of Various Agencies

Roles of various Agencies/Institutions/Government Departments/Committees as spelt out in PMFBY OG are reproduced here under:-

13.1. State / UT Governments:

a) District Level Monitoring Committee (DLMC) would provide fortnightly crop condition reports and periodical reports on seasonal weather conditions, loans disbursed extent of area cultivated, etc. to concerned insurance company. DLMC shall also monitor conduct of CCEs in districts.

c) Uploading of requisite information of notification on the crop insurance portal in coordination with the selected Implementing Insurance Companies within one week from the date of notification.

h) Issuance of necessary instructions to Regional Meteorological Centres of IMD and other government/ quasi government agencies for supplying weather data on real-time basis to insurance company.

j) To undertake extensive awareness and publicity campaigns of Scheme amongst farming community through agriculture and extension Departments to maximize coverage of the farmers specially non-loanee farmers.

l) To furnish to the insurance companies the insurance unit wise area sown of insured crops within two months from the sowing period.

m) Assist insurance companies for assessment of crop loss of individual insured farmers caused by localized perils and also assist in post-harvest losses.

o) Will Allow insurance companies to co-observe and witness CCEs, and permit them to access various records including Form-2 / Table-B at grass root / district / state level

used for recording data of CCEs by States. Audio/Video recording of CCEs shall be implemented besides other process to ensure accuracy of CCE.

13.2 Insurance Companies (IA)

a) Insurance companies to liaise with State Governments and agencies/ institutions / committees involved in implementation of PMFBY.

b) Furnish the necessary data / information to SLCCCI as may be required as per the notification.

c) Underwriting –responsibilities of processing and acceptance of risk.

d) Claim processing / finalization on receipt of yield data from States/UTs and payment within the prescribed timelines.

m) Redressal of all Public Grievances within the time fixed by IRDA.

13.3.Financial Institutions/Banks

a) to Communicate Notification, as well as other directives, guidelines, etc. to all agencies within their jurisdictional area.

b) Ensure that all agencies within their jurisdictional area sanction additional loan component to loanee farmers towards premium payable by them.

c) Ensure that all service (subordinate) bank branches within their jurisdictional area serve all non-loanee farmers desiring and eligible to take insurance cover under PMFBY. Such service will include opening bank account of non-loanee farmers, guiding them to fill up proposal forms, accepting premium from them and maintaining records etc.

d) Ensure that, for both loanee and non-loanee farmers separately, premium and related data is remitted to nodal bank , wherever applicable, within the prescribed time.

e) Lead bank/Nodal Banks should ensure that all the eligible crop loans/seasonal operational loans taken for notified crop(s) are fully insured and the conditions stated in the declarations submitted have been complied with. No farmer should be deprived from insurance cover. Nodal banks therefore, should make all out efforts and pursue their branches for enrolling all eligible loanee farmers and interested non-loanee farmers under crop insurance.

In case, claims have arisen during crop season then respective bank and its branches would be responsible to make payment of the admissible claims to loanee farmers who were deprived from insurance cover to their crops.

f) Concerned Bank and its branches should ensure submission to insurance companies within stipulated time the notified crop-wise, insurance unit-wise Declarations in prescribed format, along with consolidated Premium payable separately for both loanee farmers and non-loanee farmers. If Concerned Bank and its branches keep the amount of premium collected beyond the defined timelines then they will be liable to pay interest (at prevailing rate of interest for saving account) for the delay period to the insurance company.

g) Nodal bank/Branches will also arrange for onward transmission to service (subordinate) bank branches / PACS, compensation amounts as received from insurance companies with all details, to be credited to beneficiary accounts.

h) The Nodal Banks/Administrative offices would also collect the list of individual insured farmers with requisite details like name, fathers' name, Bank Account number,

village, categories –Small and Marginal /SC /ST /Women, insured acreage, insured crop(s), sum insured, premium collected, Government subsidy etc. From concerned PACS/ Bank Branch in soft copy for further reconciliation and send the same to the concerned insurance company within 15 days after final cut-off date for submission of proposal to insurance company.

i) The insurance company shall acknowledge all the declarations submitted by the banks mentioning the details of crop, area, sum insured etc. The banks should cross check with their records and aberrations, if any, should be brought to the notice of the insurance company immediately. If no response is received from banks within15 days, the details given in the acknowledgement shall be considered final and no changes would be accepted later on.

j) To credit the claim proceeds of PMFBY received from insurance company to respective beneficiary bank account within seven days. If Bank Branches/Nodal banks keep the claims amount beyond the defined timelines then they will be liable to pay interest (at prevailing rate of interest for saving account) for the delay period to the eligible farmers. The list of beneficiary cultivators with claim amount shall be displayed by the Branch/ Primary

Agricultural Cooperative Society (PACS) and a copy shall also be provided to the Chairman/ Sarpanch/ Pradhan of the village Panchayat. The Banks shall issue a certificate to the insurer that entire money received for settlement of claims has already been credited into the account of beneficiaries.

k) Soft copy of the beneficiary' farmers would also be uploaded directly on Crop Insurance portal by bank branch/ PACS through Nodal Bank to concerned Insurance companies for uploading the same in their web-site.

l) To permit insurance company with access to all relevant records / ledgers at the Nodal Bank/ Branch/ PACS at all times for the purpose of implementation of the scheme.

m) Banks should ensure that cultivator may not be deprived of any benefit under the Scheme due to errors/ omissions/ commissions of the concerned branch/ PACS, and in case of such errors, the concerned institutions shall only make good all such losses.

13.4 Lending Banks / RFIs

a) To educate the cultivators on the Scheme features.

d) To maintain the records of proposal forms, the other relevant documents and statements for the purpose of scrutiny/ verification by insurance company or its authorized representatives and DLMC.

e) Allow insurance company access to all relevant records and registers at offices of Nodal Bank and service (subordinate) bank branches within their jurisdictional area.

f) To capture all relevant data including land and crop details of all loanee farmers covered compulsorily as well as non loanee farmers availing crop insurance through them. Under administrative mechanism, banks are designated as terminal service points for farmers. Hence, it is their duty to ensure compulsory coverage of all eligible loanee farmers and all interested non-loanee farmers. In case of any misreporting by Nodal Bank / branch / PACS in case of farmers coverage, concerned bank only will be liable for such misreporting and its consequences.

13.5 Designated Insurance agents

a) To educate the cultivators on the Scheme features.

b) To guide the cultivators for filing up the insurance proposal in the prescribed forms and collecting the required documents from Non- Loanee cultivators.

c) Underwrite and collect the premium on behalf of Insurance Company, strictly as per the provisions of the scheme.

d) To prepare the consolidated statements of Non-Loanee cultivators and forwarding the same to the insurance company along with the premium amount well within the stipulated time.

e) The designated Insurance agents shall also prepare the list of individual insured farmers with requisite details like name, fathers' name, Bank Account number, village, categories –Small and Marginal/ SC/ ST/ Women, insured acreage, insured crop(s), sum insured, premium collected, Government subsidy etc. in soft copy and send the same to the concerned insurance company within five days after final cut-off date.

f) The designated Insurance agents should ensure that insured farmers may not be deprived of any benefit under the Scheme due to errors/ omissions/ commissions of them, and if any, the concerned agents / insurance company shall only make good all such losses. Necessary administrative and legal action may also be taken for lapses in service/ malpractices, if any, reported.

13.6 Loanee farmers

a) As the Scheme is compulsory for all loanee cultivators availing SAO loans for notified crops, it is mandatory for all loanee cultivators to insist on insurance coverage as per provisions of the Scheme.

b) Any change in crop plan should be brought to the notice of the bank within one week of sowing.

c) Insurance Proposals are accepted only upto a stipulated cut-off date, which will be decided by the SLCCCI.

d) Give information of any loss due to localized risk or post harvest loss due to specified perils of cyclone, cyclonic rains and unseasonal rains resulting in damage to harvested crop lying in field in "cut and spread" condition to concerned bank branch/ financial institution/ channel partner / insurer within 48 hours.

13.7.Non-Loanee cultivators

a) Non-Loanee cultivators desirous of availing insurance under PMFBY for any notified crop in any notified insurance unit may approach nearest bank branch/ PACS/ authorized channel partner/ insurance intermediary of insurance company within cut-off date, fill-up proposal form completely in prescribed format, submit form and deposit requisite premium to bank branch/ Insurance Intermediary along with necessary documentary evidence regarding his insurable interest in cultivating land/ crop (e.g. ownership/ tenancy/ cultivation rights) proposed for insurance.

b) The farmer desiring for coverage should open/operate an account in the branch of the designated bank, and the details should be provided in the proposal form.

c) The farmers should mention their land identification number in the proposal.

d) The farmer must provide documentary evidence with regard to possession of cultivable land.

e) The cultivator must furnish area sown confirmation certificate.

f) The farmer should ensure that he gets insurance coverage for a notified crop(s) cultivated/proposed to be cultivated, in a piece of land from a single source. In other word, Double insurance is not allowed. The insurance company shall reserve the right to repudiate all such claims and not refund the premium as well in such cases.

g) Give information of any loss due to localized risk or post-harvest loss due to specified perils of cyclone, cyclonic rains and unseasonal rains resulting in damage to harvested crop lying in field in “cut and spread” condition to concerned bank branch/ financial institution/ channel partner / insurer within 48 hours.

Note: The implementation of the scheme will be governed by operational guidelines on PMFBY and administrative approval issued by DAC/FW, GOI. In the event of any conflict in provisions in this notification and operational guidelines for PMFBY issued by DAC/ FW, GOI, latter will prevail.

Scope of cover

The Company hereby agrees, subject to the terms, conditions and exclusions herein contained, or otherwise expressed herein, to compensate the insured, in the manner specified herein, against the likelihood of diminished agricultural output or yield resulting from losses as mentioned in the PMFBY Operational Guidelines of GoI within a specific geographical location and specified time period, subject a maximum of the Sum insured as specified.

Exclusions

The Company shall not be liable to make any payment under this policy in connection with or in respect of any expenses whatsoever incurred by any insured in connection with or in respect of any losses to crop caused by or resulting from war and nuclear risks, malicious damage and other preventable risks.

The Company shall not be liable to make any payment under this policy with or with respect to any expenses incurred by any insured in connection with or in respect of any loss, howsoever caused, other than on account of losses to crop within a specific geographical location and specified time period as enumerated in the guidelines of the GoI, even if such loss results in diminished agricultural output or yield.

Basis of assessment of claims

Your PMFBY Cover is based on the measurements of crop yield at the specific notified areas. Please select the notified area carefully out of the notified areas as per guidelines issued in the government notification based on the location of land insured .Your right to receive payment under the present PMFBY policy is contingent upon the crop yields obtained through Crop Cutting Experiments (CCEs) in the notified area and not upon conditions at any other location. Yields at your notified area obtained through CCEs may vary significantly from the yields at your farming location. This variance will depend on many factors, including but not limited to distance and geography, all of which should be taken into account when determining if your PMFBY cover will provide an effective protection against crop yield losses.

In the event that, in the notified area and during the time period specified, the observed yield is of a materially lesser than the Threshold yield, the benefit payable to the insured shall be according to the percentage of shortfall in yield as compared to threshold yield subject to a maximum of Sum Insured as specified.

Claim Procedure

Insurance company would collect yield data from the relevant Government department and compute shortfall from the Threshold yield. Based on the deviation, upon eligibility of claim, company would make payments to eligible farmers directly into the account of the farmer through NEFT. In cases where NEFT facility is not available, claim payment shall be made through cheque.

Please note that the claim payment shall be made post receipt of complete premium amount.

Notification of Unified Package Insurance Scheme (UPIS) (pilot) during 2017-18 in Andhra Pradesh

The Department of Agriculture, Cooperation & Farmers Welfare (DAC & FW), Ministry of Agriculture, Government of India vide letter No.13015/03/2016-Credit-II, dated.23rd February, 2016 & 31.10.2016 have issued administrative approval for implementation of Pradhan Mantri Fasal Bima Yojana (PMFBY) to be implemented from Kharif 2016 season in all the states and Union Territories of India. The Government of India also announced Unified Package Insurance Scheme (UPIS) as a part of the PMFBY & WBCIS on pilot basis in the selected Districts. The state Government has also accorded administrative approval to implement PMFBY, WBCIS & UPIS vide **memo.No.3095/Agri.II(1)/2016, dated.16.5.2016.**

Government of Andhra Pradesh in the State Level Coordination Committee on Crop Insurance (SLCCCI) meeting held on 3rd March, 2017 decided to implement UPIS scheme during 2017-18 in **SRIKAKULAM** district on pilot basis in Andhra Pradesh.

IMPLIMENTING AGENCY:

As per the operational guidelines, the pilot scheme will be administered through AIC & empanelled Insurance Companies to be selected as Implementing Agency of PMFBY/WBCIS. The State Government is decided that, M/s Agricultural Insurance Company of India Ltd., selected as Implementing Agency for PMFBY (Cluster- I), which is covering major quantum of Crop Insurance will also implement the UPIS in Srikakulam District on pilot basis during the year 2017-18.

THE MAIN FEATURES/OPERATIONAL MODALITIES

1. The UPIS will be implemented in Srikakulam District on Pilot basis during 2017-18. A farmer (both Loanee and Non- Loanee) can access to Banks whereas non- loanee farmer shall be covered through banks and /or insurance intermediaries.
2. UPIS contain total 7 Sections out of which Section 1 (PMFBY or WBCIS) is mandatory. However, farmers have to choose at least 2 other sections (out of remaining 6) to avail the applicable subsidy under PMFBY section.
3. The cover will be for one full year except for section 1 *(which will be bi-annual separately for Kharif and Rabi seasons)* renewable from year to year.

4. The scheme would be offered / administered through AIC & empanelled

   General Insurance companies to be selected as implementing agency of PMFBY.

5. If the farmer has already availed any insurance policy covering any of sections (2-6) and sum insured not less than as mentioned in the UPIS than they would be exempted from taking such section(s). However details of such policy would be provided in their proposal form.

6. The farmers are required to fill up and sign the proposal cum declaration form giving all the required details in the relevant sections which they wish to avail. Such filled and signed proposal form shall be submitted along with the premium to the bank/intermediary/insurance company who will issue a stamped/signed receipt for the same. The proposal form is mandatory for both loanee and non loanee farmers.

7. After accepting the proposal forms from farmers, banks shall provide **unique reference number** to such proposal forms. Acknowledgement shall be provided by banks to the farmers. Such acknowledgements shall have the same unique reference number which is given to proposal forms.

8. No change in the particulars furnished in the proposal form will be admissible unless specifically agreed in writing by insurance company.

9. The Bank will continue to have existing tie-up with the same insurance companies except for PMFBY. If the existing tied up company does not agree with the term and conditions of UPIS (Section 2 to 7), then implementing crop insurance company will arrange insurance for other sections.

Section 1: Crop Insurance

Pradhan Mantri Fasal Bima Yojana (PMFBY) / Weather Based Crop Insurance

Scheme (WBCIS)

Section 2: Personal Accident Insurance

(Coverage as per Pradhan Mantri Suraksha Bima Yojana – (PMSBY)

Details of Scheme: The scheme will be a one year cover, renewable from year to year, Accident Insurance Scheme offering accidental death and disability cover for death or disability on account of an accident. There will be no change in the existing relationship structure of Bank- insurance company which was established for PMSBY and here also the premium will be submitted to the insurance company with which bank is already tied up. If the farmer has already availed this section in the form of PMSBY, he/she need not to choose this section again. However, he/she is required to provide the detail of the policy which will be captured in proposal cum declaration form under PMFBY.

Scope of coverage: All farmers eligible for crop insurance under PMFBY/WBCIS in the age 18 to 70 years will be entitled to join. As per the Guidelines selection of Implementing Agency (IA) shall be made through financial bids among the Insurance Companies empanelled by the GOI. The State Government has constituted a Financial Bid committee for monitoring of the Financial Bid process in a transparent manner under implementation of PMFBY and WBCIS through G.O. R.T.No.248, dated.1.4.2016 The details of Crops / areas / features / provisions and conditions etc., are listed below:

IMPLEMENTING AGENCY:

M/s. HDFC ERGO General Insurance Company Ltd., L1 bidder is selected by the Government to act as Implementing Agency (IA) under implementation of RWBCIS scheme during Kharif 2017 season in the State.

THE MAIN FEATURES/OPERATIONAL MODALITIES

1. **OBJECTIVE OF THE SCHEME**

Weather Based Crop Insurance Scheme (WBCIS) aims to mitigate the hardship of the insured farmers against the likelihood of financial loss on account of anticipated crop loss resulting from adverse weather conditions relating to rainfall, temperature, wind, humidity etc. WBCIS uses weather parameters as" proxy" for crop yields in compensating the cultivators for deemed crop losses. Payout structures are developed to the extent of losses deemed to have been suffered using the weather triggers.

2. **CROPS COVERED AND IMPLEMENTING AGENCY :**

As per the Operational Guidelines the Crops and areas (Districts) proposed to Notify are formed in to one cluster under implementation of WBCIS. District wise Crops Notified is given hereunder:

11. PROCEDURE FOR COVERAGE OF FARMERS :-

a) Each individual bank branches for Commercial Banks / RRBs shall act as Nodal branch. Each DCCB will be Nodal Banks for PACs. The concerned Lead bank and Regional offices/ Administrative offices of commercial banks/ RRBs will provide necessary guidelines to concerned bank branches and coordinate with them to ensure that all concerned branches submit the consolidated proposals to insurance companies well within the stipulated cut-off dates and also upload the soft copy of insured details in crop insurance portal. Besides, insurance company may also use the IRDA approved insurance agents/ insurance intermediaries for the coverage of non-loanee farmers only.

b) Declaration/ proposal formats to be submitted by Nodal banks/ Branches shall contain details about Insurance Unit, sum insured per unit, premium per unit, total area insured of the farmers, number and category of farmers covered (small and marginal or other) and number of farmers under other categories (SC/ ST/ others) / Women along with their bank account details etc. (bank / their branches) **as per the format envisaged / provided in the crop insurance portal.**

Loanee farmers (Compulsory coverage)

a) Whenever banks sanction loan for a notified crop in a notified area, the crop loan amount only to the extent of **Scale of Finance for notified crops** and acreage of individual notified crops of loanee farmers shall be taken into consideration for compulsory coverage, as per seasonality discipline. Based on seasonality of Crops, banks should separately calculate the eligibility of loan amount for both Kharif and Rabi seasons based on the scale of Finance and declared acreage under notified crops. Disbursing bank branch/ Primary Agriculture Cooperative Society (PACS) will prepare monthly statement of crop-wise and insurance unit-wise details of crop insurance with premium as per the seasonality discipline. Loan disbursing bank branch/ PACS will finance the additional loan towards premium amount payable by farmer for crop insurance.

b) Crop loans through Kisan Credit Cards (KCC) are covered under compulsory coverage and banks shall maintain all back up records and registers relating to compliance with PMFBY and its seasonality discipline and cut-off-date for submitting Declarations in case of normal crop loans. Bank branch will apportion coverage among insurable crops, based on acreage mentioned in loan application or on the basis of actual area sown as declared by the farmer subsequently.

c) Bank branches of commercial banks and RRBs/ Nodal Bank in case of PACS under its jurisdiction shall consolidate insurance proposals/ statements from their bank branch/ PACS under its jurisdiction, respectively and forward the same to insurance company along with details of remittance/ RTGS towards insurance premium, in accordance with cut off dates, as specified in paragraph 7 above .

Non-loanee farmers (Optional coverage) through Channel partners

a) Farmers desirous of availing insurance shall fill up Proposal Form of the Scheme and submit the same to nearest bank branch or authorized channel partner or insurance intermediaries of insurance company.

b) In case channel partner is a Bank, farmers will submit duly filled up proposal form in the village branch of a Commercial Bank (CB) or Regional Rural Bank (RRB), or PACS (DCCB) with requisite insurance premium amount. Operating a bank account is essential for such cases. Branch/ PACS officials will assist the farmers in completing the insurance proposal form and provide necessary guidance. While accepting the proposal and premium, Branch/ PACS will be responsible for verification of eligible sum insured, applicable premium rate, etc. PACS will thereafter consolidate these particulars and send them directly/ to respective Nodal Banks respectively which will, in turn, submit crop-wise and insurance unit-wiseCrop Insurance Declarations in the prescribed format, along with the premium, within the stipulated time, to insurance company. However the bank branches of commercial banks/ RRBs will directly submit the consolidated proposals along with details of insured farmers in the format envisaged in the crop insurance portal within the stipulated time.

c) Non-loanee cultivators could also be serviced directly by any designated agencies, other authorized channel partners or insurance intermediaries, of the implementing agency/Insurance Company and they will act as a guide and facilitator wherein they will advise them the benefits and desirability of the Scheme and guide the farmers through procedures; collect requisite premium and remit individual/ consolidated premium to insurance company, accompanied by individual proposal forms and summary details in Declarations/ Listing sheet (MIS), provide soft copy to IA and details of each insured farmer and will also upload the data directly to the crop insurance portal.

d) While accepting the Proposal and the premium from aforesaid, designated agents, other authorized channel partner or insurance intermediaries, **it shall be the responsibility of Insurance Company or its designated agents to verify insurable interest and collect the land records, particulars of acreage, sum insured, crop sown etc., and applicable contract/ agreement details in case of share croppers / tenant farmers.** The designated intermediaries shall remit the premium with consolidated proposals within 7 days. However, it is mandatory that the Non-loanee cultivators serviced by the designated intermediaries should hold a bank account in order to facilitate remittance of the claim, if payable.

Non-loanee Farmers (Optional coverage) - directly to Insurance companies

a) Non-Loanee farmer may submit insurance proposals personally / through post to insurance company with requisite premium. Non-loanee farmer can also avail insurance through 'on-line portal' of concerned insurance company or crop insurance portal designed by Government for the purpose. However, it is mandatory that Non-Loanee farmers, personally submitting proposals to insurance company or through crop insurance portal, should have insurable interest and submit necessary documentary evidence. The insured farmer forfeits the premium and the right to claim (if any) if the material facts furnished in the proposal form are wrong or incorrect.

b) Insurance companies retain the right to accept or reject insurance proposal(s) in case proposal is incomplete, not accompanied by necessary documentary proof or insurance premium ordinarily, within one month of receipt of proposal by Insurance Companies. If the proposal is rejected the insurance company will refund full collected premium.

c) Declarations/ proposals received from the Banks/ PACS after the cut-off date shall be summarily rejected and the liability, if any, for such declarations shall rest with the concerned bank. Therefore, the Banks/

d) PACS must not receive any proposal after the cut-off date of coverage. The Banks/ PACS must also ensure that the consolidated statement alongwith the premium amount is remitted to the insurance company within the stipulated time, failing which they shall be responsible for payment of claims, if any to the farmers. However, any dispute in the matter may be referred to the Department by the concerned State/ Agency.

e) The concerned branches of banks and Nodal Banks/ DCCBs in case of PACS will also collect the list of individual insured farmers (both loanee and non-loanee) with requisite details like name, father's name, Bank Account number, village, categories – Small and Marginal/ SC/ ST/ Women, insured acreage, details of insured land, insured crop(s), sum insured, premium collected, Government subsidy etc. from concerned branch in soft copy also for further reconciliation and send the same to the concerned insurance company within 15 days after final cut-off date for submission of Proposal/ Declaration to insurance company and also upload the same on the crop insurance portal. Same standard format of crop insurance portal will be utilized.

f) Insurance companies may also collect the requisite information in respect of non-loanee farmers from the channel partner in same formats. It is the responsibility of the concerned insurance companies to collect/obtain the details of the insured farmers (both loanee and non-loanee) from the bank/financial institutions/ intermediaries/ agents and facilitate the banks to upload the same on crop insurance portal.

g) Insurance Companies should also verify and be satisfied themselves about the coverage of farmers/ crops and up-load the same in their websites within a month preferably before approaching the Government to release the final instalment of subsidy under the scheme.

12. COMPENSATIONPAY-OUT:

a).Claims under WBCIS will be settled on the basis of weather data provided by the Government of Andhra Pradesh and not on the basis of Annavari Certificate / Gazette notification declaring the area as Drought / Flood / Cyclone affected etc., by the District Collectors or any other Govt. Official.

b) Pay-out computation would be based on the notified weather parameters and the details of triggers are specified in the term sheets for the notified crops vide Annexure I to XII.

c) TRIGGER WEATHER: Trigger Weather is pre-defined and being notified as per annexure with reference to the weather parameters and Reference Unit Area and Reference Weather Station and has been fixed so, keeping in mind the broad weather parapet requirement of the notified crops in different mandal sin the notified Districts.

d) SUBMISSION & STORING OF WEATHER DATA: Weather data will be provided by Automatic Weather Stations

setup by Andhra Pradesh State Developmental Planning Society of Planning Dept to insurance company on day today basis for the season.

e)REFERENCE WEATHER STATION: This refers to the Automatic Weather Station operating for the particular Reference Unit Area i.e., mandal (as detailed in the annexure) operating for the relevant Reference Unit Area for generating the Weather Data during the current season, based on which pay-outs are processed.

f) BACK-UPWEATHERSTATION-It is a substitute Weather Station to be used only in case the weather data from the specified Reference Weather Station for the current season is un-available/defective for any reason. In the extreme case of absence of BWS data, data of BWS of BWS or alternate data (Manual rain gauge station data for rainfall) may be adopted.

(Reference Unit areas and Reference Weather stations and Back-up Weather Stations are Annexed in **ANNEXURE XIII TO XXIV .**

g) As far as the Insured is concerned, the Pay-out procedure shall be automatic that is to say, Pay-outs would be automatically computed by implementing agency on the basis of Actual Weather Data received and the Pay-out would be automatically credited to the Insured's Bank Account.

13. Procedure for Settlement of Claims to the farmers

1. The insurance company would disburse the claim only after receipt of govt. share in premium subsidy.

2.. In case of farmers covered through Financial Institution, claims shall be released only through electronic transfer, followed by hard copy containing claim particulars, to individual bank branches/ nodal banks / PACs which will credit into accounts of individual farmers within a week of receipt of funds from the Insurance companies and shall provide a certificate to the insurance companies along with list of farmers benefited. Bank Branch should also display particulars of beneficiaries on notice board and also upload the same on crop insurance portal.

3. In case of farmers covered on voluntary basis through intermediaries/ directly, payable claims will be directly credited to the concerned bank accounts of insured farmers and details of the claims may also intimate to them. The list of beneficiaries may also be uploaded on the crop insurance portal immediately.

4. Insurance companies shall resolve all the grievances of the insured farmers and other stakeholders in the shortest possible time.

14.Important Conditions /Clauses Applicable for Coverage of Risks

1. Insurance companies should have received the premium for coverage either from bank, channel partner, insurance intermediary or directly. Any loss in transit due to negligence by these agencies or non-remittance of premium by these agencies, the concerned bank / intermediaries shall be liable for payment of claims.

2. In case of any substantial misreporting by nodal bank /branch in case of compulsory farmers coverage, the concerned bank only shall be liable for such mis-reporting.

3. Mere sanctioning/ disbursement of crop loans and submission of proposals/ declarations and remittance of premium by farmer/ bank, without explicit intent to raise the crop, does not constitute acceptance of risk by insurance company.

15. **Acreage discrepancy**

Some areas in the past have reported excess insurance coverage vis-à-vis planted acreage, leading to over-insurance.

For the time-being, it is to be addressed as follows:

a) Wherever the 'acreage discrepancy' is likely, the acreage insured at IU level shall be compared with average planted acreage of past three years, and the difference is treated as 'excess' insurance coverage after taking into account sown area data of the Revenue authority.

b) Sum insured is scaled down in the proportionate ratio the average of three years' actual planted acreage bears to the insured acreage for the given crop.

c) Claims shall be calculated on the scaled down sum insured

d) Premium (farmer share and Central and State Government Subsidy) shall be refunded back to Government of India for the portion of sum insured scaled down and the amount may be utilized for improvement of technology/ research/ Impact assessment etc., Once the individual farms (plots/ survey numbers) are digitized and available on a GIS platform, it is quite possible to overlay the crop cover as derived using satellite imagery on the GIS platform to identify the crop and estimate the cropped area on each farm. This should lead to identifying the acreage discrepancy at individual farm level.

16. EXCLUSION:

Losses arising out of war and nuclear risks, malicious damage and other preventable risks shall be excluded.

17. Commission and Bank Charges

Bank and other financial institutions etc. shall be paid service charges @4% of the premium collected from farmers. Banks have to submit there invoice as annexure ___ Rural agents engaged in providing insurance related services to farmers would be paid appropriate commission as decided by the insurance company, subject to cap prescribed under IRDA regulations.

18. Service Tax

WBCIS is a replacement scheme of NAIS/MNAIS, and hence exempted from Service Tax.

19. Role and Responsibilities of Various Agencies

For successful implementation and administration of Scheme, roles of various Agencies/Institutions/Government Departments/Committees are spelt out herein.

1. **Central Government**

   a. Support and Coordination with the State/UT Governments for implementation of PMFBY including its awareness and publicity and issue necessary instructions/ guidelines from time to time for smooth and effective implementation.
   b. Issue directives to Banks through "Reserve Bank of India (RBI)"and "National Bank for Agriculture and Rural Development (NABARD)", for complying with the terms and conditions of PMFBY and its operational modalities.
   c. Facilitate providing the weather data through India Meteorological Department (IMD) on near real-time basis to insurance company.
   d. Release 50% premium subsidy towards DAC & FW committed liability under the scheme to insurance companies at the beginning of crop season on the basis of business projections (premium collection) to be submitted by insurance companies. The balance of premium subsidy, if any for the season shall be released based on submission of final / actual business achieved during crop season by insurance companies to enable them to release claims to beneficiary farmers.
   e. Review and monitor the implementation of PMFBY including premium rates, product-benchmarking and other matter/directives to insurance companies. Review of performance of participating insurance companies and suggest modifications/ improvements wherever required.

To set up the review and monitoring committee at both, State and District levels under the chairmanship of Principal Secretary (Agriculture/ Cooperation) and District Collector, respectively for periodical review (preferably monthly) of implementation of scheme and also verify the coverage etc. on random basis to ensure proper coverage under the scheme. District Level Monitoring Committee (DLMC) to also provide fortnightly crop condition reports and periodical reports on seasonal weather conditions, loans disbursed extent of area cultivated, etc. to concerned insurance company. DLMC shall also monitor conduct of CCEs in districts.
   b. Hold meeting of SLCCCI well in advance to finalise clusters, issue bid notice, selection of Implementing Agency and issuance of Notification. Timely issuance of notification is a must for giving wide publicity and coverage of the farmers. There should be a gap of at least one month between the notification issuance and risk inception

date. Notification of the State Government shall contain all information as outlined in para VI.

c. Uploading of requisite information of notification on the crop insurance portal in coordination with the selected Implementing Insurance Companies within one week from the date of notification.

d. Take suitable action for adoption of new technology for early loss assessment and better administration of scheme

e. Issue necessary directives to all agencies/ institutions/ government departments/ committees involved in implementation of Scheme.

f. Notify insurance unit area to Village Panchayat or other equivalent units for major crops and for other crops, unit size may be above the level of Village / Village Panchayat.

g. Furnish in advance insurance unit-wise (or of higher unit, if unit level data not available) yield data of immediate past 10 years of all notified crops under PMFBY to insurance companies.

h. Issuance of necessary instructions to Regional Meteorological Centres of IMD and other government/ quasi government agencies for supplying weather data on real-time basis to insurance company.

i. i) To release its 50% share of Premium Subsidy to insurance companies, in the beginning of every crop season, based on fair estimates submitted by them, and settle balance of actual premium subsidy for season as soon as final figures are submitted by insurance company. In order to ensure timely release of premium subsidy by the states, release of GOI subsidy shall be made to those states only which have cleared their liability of premium subsidy excluding the immediate previous crop season.

j. To undertake extensive awareness and publicity campaigns of Scheme amongst farming community through agriculture and extension Departments to maximize coverage of the farmers specially non-loanee farmers.

k. Submission of yield data for all notified crops and insurance units to insurance companies in standard format within stipulated date.

l. To furnish to the insurance companies the insurance unit wise area sown of insured crops within two months from the sowing period.

m. Assist insurance companies for assessment of crop loss of individual insured farmers caused by localized perils and also assist in post harvest losses.

n. To undertake requisite number of CCE in the notified area following single series, and provide the yield data to the insurance company within the prescribed cut-off date, along with results of individual CCEs.

o. Allow insurance companies to co-observe and witness CCEs, and permit them to access various records including Form-2 / Table-B at grass root / district / state level used for recording data of CCEs by States. State shall strengthen audit process of conducting CCE with necessary checks and balances. Audio/Video- recording of CCEs shall be implemented besides other process to ensure accuracy of CCE.

3. Insurance Companies (IA)

a. Insurance companies to liaise with State Governments and agencies/ institutions / committees involved in implementation of PMFBY.

b. Furnish the necessary details to SLCCCI as may be required as per the notification.

c. Underwriting –responsibilities of processing and acceptance of risk.

d. Claim processing / finalization on receipt of yield data from States/UTs and payment within the prescribed timelines.

e. Obtain Re-insurance arrangements if felt necessary.

f. Database –develop crop-yield and weather databases, also related agri-insurance databases.

g. Review of implementation of PMFBY and provide regular feedback for its effective implementation/improvements to DAC & FW.

h. Disclose designated Agents in writing before the underwriting of insurance for the season.

i. Ensuring payment of commission/ service charges to banks/ other agents for implementing the scheme.

j. Awareness and publicity – extensive efforts to create awareness and generate publicity for PMFBY at grass-roots level including bank branches. Also coordinate with the States and other agencies for awareness and publicity of the scheme.

k. Providing monthly progress returns/ statistics/ information demanded by the Governments, both Central and State Government.

l. Facilitate the bank branches/ intermediaries/ agents to upload the details of insured farmers and beneficiaries with all requisite details on Crop Insurance portal well in time.

m. Redressal of all Public Grievances within the time fixed by IRDA. There shall be toll free number maintained by AIC which will be used for receiving the grievances of farmers which will work on the docket system.

n. The coverage of loanee farmers should be carried out by insurance companies themselves, use of agents / brokers are not allowed.

o. At least one agent should be deployed at the block level in the allocated districts.

4. Financial Institutions/Banks

a. For purpose of PMFBY, scheduled banking institutions engaged in disbursing Seasonal Agricultural Operations (SAO) loans as per relevant guidelines of NABARD/ RBI shall be reckoned as Banks.

b. The existing system of Nodal Banks would continue to service the PMFBYas described in various sub paras of Para X.

c. Notification, as well as other directives, guidelines, etc., shall flow as insurance company Ø Lead Bank/Administrative offices of Commercial banks/RRBs/Nodal Bank Ø Service (subordinate) Bank Branch /

PACS. While claim remittance to and from insurance companies shall follow same route, the remittance of premium shall follow the reverse route.

Lead Bank/Nodal Bank/Administrative office of Commercial banks/ RRBs

a. Communicate Notification, as well as other directives, guidelines, etc. to all agencies within their jurisdictional area.
b. Ensure that all agencies within their jurisdictional area sanction additional loan component to loanee farmers towards premium payable by them.
c. Ensure that all service (subordinate) bank branches within their jurisdictional area serve all non-loanee farmers desiring and eligible to take insurance cover under PMFBY. Such service will include opening bank account of non-loanee farmers, guiding them to fill up proposal forms, accepting premium from them and maintaining records etc.
d. Ensure that, for both loanee and non-loanee farmers separately, premium and related data is remitted to nodal bank within the prescribed time.
e. Lead bank/Nodal Banks should ensure that all the eligible crop loans/seasonal operational loans taken for notified crop(s) are fully insured and the conditions stated in the declarations submitted have been complied with. No farmer should be deprived from insurance cover. Nodal banks therefore, should make all out efforts and pursue their branches for enrolling all eligible loanee farmers and interested non-loanee farmers under crop insurance. In case, claims have arisen during crop season then respective bank and its branches would be responsible to make payment of the admissible claims to loanee farmers who were deprived from insurance cover to their crops.
f. Concerned Bank and it's branches should ensure submission to insurance companies within stipulated time the notified crop-wise, insurance unit-wise Declarations in prescribed format, along with consolidated Premium payable separately for both loanee farmers and non-loanee farmers. If Concerned Bank and it's branches keep the amount of premium collected beyond the defined timelines then they will be liable to pay interest (at prevailing rate of interest for saving account) for the delay period to the insurance company.
g. Nodal bank/Branches will also arrange for onward transmission to service (subordinate) bank branches / PACS, compensation amounts as received from insurance companies with all details, to be credited to beneficiary accounts.
h. The Nodal Banks/Administrative offices may also collect the list of individual insured farmers with requisite details like name, fathers' name, Bank Account number, village, categories –Small and Marginal /SC /ST /Women, insured acreage, insured crop(s), sum insured, premium collected, Government subsidy etc from concerned PACS/ Bank Branch in soft copy for further reconciliation and send the same to the concerned insurance company within 15 days after final cut-off date for submission of proposal to insurance company.
i. The insurance company shall acknowledge all the declarations submitted by the banks mentioning the details of crop, area, sum insured etc. The banks should cross check with their records and aberrations, if any, should be brought to the notice of the insurance company immediately. If no response is received from banks within15 days, the details given in the acknowledgement shall be considered final and no changes would be accepted later on.
j. To credit the claim proceeds of PMFBY received from insurance company to respective beneficiary bank account within seven days. If Bank Branches/Nodal banks keep the claims amount beyond the defined timelines then they will be liable to pay interest (at prevailing rate of interest for saving account) for the delay period to the eligible farmers. The list of beneficiary cultivators with claim amount shall be displayed by the Branch/ Primary Agricultural Cooperative Society (PACS) and a copy shall also be provided to the Chairman/ Sarpanch/ Pradhan of the village Panchayat. The Banks shall issue a certificate to the insurer that entire money received for settlement of claims has already been credited into the account of beneficiaries.
k. Soft copy of the beneficiary' farmers may also be uploaded directly on Crop Insurance portal by bank branch/ PACS through Nodal Bank to concerned Insurance companies for uploading the same in their web-site.
l. To permit insurance company with access to all relevant records / ledgers at the Nodal Bank/ Branch/ PACS at all times for the purpose of implementation of the scheme.
m. Banks should ensure that cultivator may not be deprived of any benefit under the Scheme due to errors/ omissions/ commissions of the concerned branch/ PACS, and in case of such errors, the concerned institutions shall only make good all such losses.

Lending Banks / RFIs

a. To educate the cultivators on the Scheme features.
b. To guide the cultivators for filing up the insurance proposal in the prescribed forms and collecting the required documents, particularly in case of Non-Loanee cultivators.
c. To prepare the consolidated statements for Loanee and Non- Loanee cultivators and forward the same to the insurance company along with the premium amount and other details of the insured farmers.
d. Maintaining the records of proposal forms, the other relevant documents and statements for the purpose of scrutiny/ verification by insurance company or its authorized representatives and DLMC.
e. Allow insurance company access to all relevant records and registers at offices of Nodal Bank and service (subordinate) bank branches within their jurisdictional area.
f. To capture all relevant data including land and crop details of all loanee farmers covered compulsorily as well as non loanee farmers availing crop insurance through them.
g. Under administrative mechanism, banks are designated as terminal service points for farmers. Hence, it is their duty to ensure compulsory coverage of all eligible loanee farmers and all interested non-loanee farmers. In case

of any misreporting by Nodal Bank / branch / PACS in case of farmers coverage, concerned bank only will be liable for such mis- reporting and its consequences.

5. Designated Insurance agents

a. To educate the cultivators on the Scheme features.
b. To guide the cultivators for filing up the insurance proposal in the prescribed forms and collecting the required documents from Non- Loanee cultivators.
c. Underwrite and collect the premium on behalf of Insurance Company, strictly as per the provisions of the scheme.
d. To prepare the consolidated statements of Non-Loanee cultivators and forwarding the same to the insurance company along with the premium amount well within the stipulated time.
e. The designated Insurance agents shall also prepare the list of individual insured farmers with requisite details like name, fathers' name, Bank Account number, village, categories –Small and Marginal/ SC/ ST/ Women, insured acreage, insured crop(s), sum insured, premium collected, Government subsidy etc in soft copy and send the same to the concerned insurance company within five days after final cut-off date.
f. The designated Insurance agents should ensure that insured farmers may not be deprived of any benefit under the Scheme due to errors/ omissions/ commissions of them, and if any, the concerned agents / insurance company shall only make good all such losses. Necessary administrative and legal action may also be taken for lapses in service/ malpractices, if any, reported.

6. Loanee farmers

a. As the Scheme is compulsory for all loanee cultivators availing SAO loans for notified crops, it is mandatory for all loanee cultivators to insist on insurance coverage as per provisions of the Scheme.
b. Any change in crop plan should be brought to the notice of the bank within one week of sowing.
c. Insurance Proposals are accepted only upto a stipulated cut-off date, which will be decided by the SLCCCI.
d. Give information of any loss due to localized risk or post harvest loss due to specified perils of cyclone, cyclonic rains and unseasonal rains resulting in damage to harvested crop lying in field in "cut and spread" condition to concerned bank branch/ financial institution/ channel partner / insurer within 48 hours.

7. Non-Loanee cultivators

a. Non-Loanee cultivators desirous of availing insurance under PMFBY for any notified crop in any notified insurance unit may approach nearest bank branch/ PACS/ authorized channel partner/ insurance intermediary of insurance company within cut-off date, fill-up proposal form completely in prescribed format, submit form and deposit requisite premium to bank branch/ Insurance Intermediary along with necessary documentary evidence regarding his insurable interest in cultivating land/ crop (e.g. ownership/ tenancy/ cultivation rights) proposed for insurance.
b. The farmer desiring for coverage should open/operate an account in the branch of the designated bank, and the details should be provided in the proposal form.
c. The farmers should mention their land identification number in the proposal.
d. The farmer must provide documentary evidence with regard to possession of cultivable land.
e. The cultivator must furnish area sown confirmation certificate.
f. The farmer should ensure that he gets insurance coverage for a notified crop(s) cultivated/proposed to be cultivated, in a piece of land from a single source. In other word, Double insurance is not allowed. The insurance company shall reserve the right to repudiate all such claims and not refund the premium as well in such cases. Company may also take legal action against such farmers.
g. Give information of any loss due to localized risk or post harvest loss due to specified perils of cyclone, cyclonic rains and unseasonal rains resulting in damage to harvested crop lying in field in "cut and spread" condition to concerned bank branch/ financial institution/ channel partner / insurer within 48 hours.

20. Role & Responsibilities of Weather data providers

a) The Automatic Weather Stations (AWSs) and Automatic Rain Gauges (ARGs) of IMD, State Governments, Agriculture Universities or any other organizations / institutions and Independent Third Parties like National Collateral Management Services Limited (NCML), Weather Risk Management Services Pvt. Limited (WRMS), Skymet etc. should only be notified as Reference Weather Stations (RWSs) or Back up Weather Stations (BWSs) which meet the basic minimum criteria fixed by the IMD / Government for the purpose.
b) The data provider should ensure that all the equipments, weather sensors etc. of AWSs / ARGs should be standard, installed properly and regularly maintained as per the specification detailed in the Guidelines issued by IMD / DAC&FW and the equipments should also be calibrated regularly.
c) The data provider should maintain the quality of weather data and standards for dissemination, retrieval & validation of weather data etc.
d) The data provider should work independent from the insurer (insurance Company) and insured(farmer).
e) The data provider should provide weather data in prescribed formats on near real time basis to insurance companies / State Govt.
f) The data provider should ensure that insured farmers may not be deprived of any benefit under the Scheme due to non-functioning of weather sensors / sub-standard data/ loss of data etc. and if any, the concerned agency shall only make good all such losses.
g) The data provider should get the weather station equipment, exposure conditions, maintenance, data quality,

etc. certified by an accreditation agency, who may randomly visit some of the weather stations from time to time.

21. LIMITATIONS &DISCLAIMERS:

a) The Scheme is NOT a Yield Guarantee Scheme, and is based on "Area Approach" as opposed to" Individual Approach"–where by assessment of compensation would be made on Reference Unit Area Basis and not on the basis of every individual insured who might have suffered a loss:

(b) The Scheme shall be null and void and no benefit shall be payable in the event of untrue or in correct statements, misrepresentation or on non-disclosure in any material fact in the proposal form/personal statement/declaration and connected documents, or any material information having been concealed, or a claim being fraudulent or any fraudulent mean s or devices being used by the Insured or any one acting on his behalf to obtain any benefit under this Scheme.

(c) Whenever, any clarification in respect of Declarations submitted by FIs is sought by the implementing agency, the same must be submitted within two weeks. Thereafter, the implementing agency, is not under obligation to accept the same, including reopening of claims. Declarations received after the prescribed cut-off dates will be rejected and the responsibility/liability for such proposals rests with the banks/FIs.

The FIs shall only be responsible for all omissions/commissions/errors committed by them.

(d) ***In case of any substantial misreporting by bank particularly of compulsory farmers coverage, concerned bank only shall be liable for such misreporting.***

(e) Insured / applicant must have insurable interest. Mere sanctioning / disbursement of crop loans and submission of proposals / declarations and remittance of premium by farmer/ bank, without explicit intent to raise the crop, does not constitute acceptance of risk by insurance company.

Note: The implementation of the scheme will be governed by operational guidelines on PMFBY and administrative approval issued by DACFW, GOI. In the event of any conflict in provisions in this notification and operational guidelines for PMFBY issued by DACFW, GOI , latter will prevail.
